

# Nomination Form

Project Blue is a 501(c)3 foundation started in 2009. It was founded in memory of Baytown native and Sugar Land Police Officer -Marcus Lee Zaruba. Marcus died at the age of 29 from an aggressive form of cancer. His illness highlighted the need for a safety-net charity for non-service-related injuries and illness.

Project Blue is funded solely by donations. We pay no salaries. We are a non-profit organization and all donations are tax deductible. We help to bridge the gap where other charities and benefits fall short. We exist to make sure that officers have support when they need it the most. We also fund criminal justice scholarships for deserving students who plan a career in law enforcement. In order to assess the situation of the LEO that is nominated for help, please fill out the following and email to: [margie@project-blue.org](mailto:margie@project-blue.org). If you are completing this form on behalf of another person, please indicate that fact and include your contact information.
